....Hardy American Plants

THE STOCK OF THE WELL-KNOWN
HIGHLANDS NURSERY, KAWANA, N. C.,
OFFERED WITHOUT RESERVE

A DISCOUNT OF 33 1-3 PER CENT. allowed on the already low prices quoted herein.

OBSERVE IN ORDERING:

PACKING charged at cost only.

DELIVERY at our depot, Cranberry, N. C., free.

FOREIGN REMITTANCES. Send by International Postal Money Order drawn on Asheville, N. C., or by New York Exchange.

CLAIMS must be made immediately on receipt of goods to receive attention. All shipments travel at consignee's risk.

"COLLECTED PLANTS" are those carefully lifted from the open woods, and usually trimmed before shipping. Nearly all varieties herein quoted can be supplied in strong collected stuff at very low figures. If interested, please write.

ORDERS SHIPPED from October 1 to December 1, and March 1 to May 15. Order early.

SHIPMENTS from this nursery extend over the world, and the packing is as nearly perfect as possible. Large frost-proof Cellar, Packing House and Sheds facilitate prompt shipments.

The stock here offered at these extremely low prices is heavy nursery-grown and first-class in every respect.

Orders are accepted for immediate shipment subject to stock being sold at the time orders are received, or will be booked and reserved for spring shipment on the order of responsible parties, or for cash with order.

Special lists for large quantities will get special prices by corresponding.

GINSENG.

There is Money to be made in growing it.

Having on hand and ready for shipment 40,000 strong roots of this rare and valuable root for planting, and being compelled to close them out regardless of price, I have decided to offer the lot at the following extremely low rates:

Strong plants, \$2 per 100, \$12.50 per 1,000.

Larger size, \$3 per 100, \$16 per 1,000.

I shall be glad to give any information possible, and hope you can avail yourself of this exceptional opportunity to secure fine planting stock of this rare and valuable root. Special circular giving cultural directions sent on request.

Beautiful Southern Galax Leaves

Who Introduced

Galax

and

Why Galax is so

Popu l

Introduced by the Highlands Nursery, Kawana, N. C., several seasons ago, this grand new Evergreen is now known everywhere, and is used by the MILLION, especially at Xmas and the Holidays.

Their BRILLIANT COLORING (bright green and rich bronze), unique shape, long pliant stems and cheapness, have combined to make them the most POPULAR EVERGREEN DECORATIVE now used by Florists.

Ivy Leaves Not

"In It" !!

More beautiful and far easier to make up than IVY LEAVES, they are universally taking the place of this old and popular Florists' Evergreen, being especially suitable for wreaths, crosses and all FINE DESIGNS, and are unrivalled for winter cemetery work.
